

# TEE TIMES!

## Are we lucky or what?

As you walk up to the club house, take a moment to appreciate the beauty in front of you. And no, this is not a painting or doctored photo, it's the real deal taken with a phone! It couldn't be prettier. And if you see our gardener, Laurel, give her a thumbs up for a job well done. (Just don't talk to her, she's got a job to do. 😊)

## A 110 trombones lead the big parade....

Actually, it was more like 110 "honkers" leading this parade down the #13 fairway. Our only wish is that each of them had a little poop catcher attached to their behinds like the horses do in parades. Now, there is an idea! Is there a suggestion box in the clubhouse? We think this is one of our best ideas!

Thanks to **Jane Cacich** for this great photo.

## Important Dates to Remember

**July 4** - Holiday Low Net

**July 27** - Calcutta with pool party at Kathy Zieman's

*"But in the end, it's still a game of golf, and if at the end of the day you can't shake hands with your opponents and still be friends, then you've missed the point."* ~ Payne Stewart

Correctly guess whose lovely legs these are, and your name will be put in to possibly win a Lady Schick razor. (Your editors did not think of this prize. Someone way whackier than us did.)

A picture' worth 1000 words but we're stumped on a good caption for this one of **Colleen Halpine and Linda Nelson** checking the latest weather updates on their phones. Thanks for the photo **Ruthann Ryberg!**

**Wendy Lane** played in the MGA Woman's Spring Scramble at Majestic Oaks Golf Course on May 15th. She played with Karey Jensen, a former CWGC member. They tied for 3<sup>rd</sup> in their flight, but alas, not in the money. It was perfect weather and a good time, reports Wendy. You can't ask for more than that.

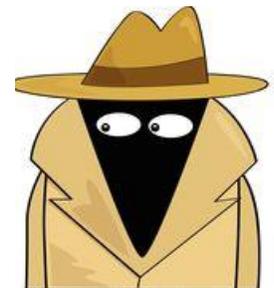

Daniel, our friendly starter has a great office with an even better view. He also has a great smile and attitude to match.

Alec George and Lauren Scheppe are two happy pro shop employees. Either they love us or love their jobs....we think it has to be us.

### For all you CSI lovers

Victim was discovered in pieces. (Reminiscent of the legendary Humpty Dumpty crime.) Suspect appeared to have attempted to flee the scene and enter concealment, but was apprehended near

the scene. Fragments of blue glass embedded in the suspect's skin (possibly defensive wounds - the victim may have attempted to resist the attacker) are a match for the remains of the victim.

Your editors have to admit they had a little trouble understanding this submission from **Kathy Ziemann**. If you have the same issue, here is what happened. A Como golfer's ball landed in a yard breaking the big blue ball. The golf ball was found with blue glass fragments embedded in it. We either need to get out more or stay in and watch more TV. ☺

## Getting the scoop on new member Vicki Henderson

**Tell us a little about your golf history.** *With work and family and time constraints I haven't ventured out for 18 holes for quite a while. For past three years I have been playing a 9-hole league at Cedarholm.*

**How did you come to join the Como club?** *I've played Como in the past; it is close to home, and I thought I would give 18 a try again.*

**What was your go-to activity to get thru the COVID months?** *I belong to a running group, and we masked up and doubled down on getting out and getting miles logged! The exercise and the companionship were a saving grace.*

**Are you still working, or retired and able to play more often?** *I retired from full time work in December. I have a consulting job, volunteer "job" and a few other regularly scheduled activities.*

**If you want to, tell us about your family.** *I live in Roseville with my spouse, and we have a 27-year-old son.*

**Would you rather hit out of the sand or over the water? Why?** *I think out of the sand. There is always the hope of getting out and moving forward with one stroke.*

Two photos submitted by **Kathy Ziemann**. On the left, first person to correctly ID the location of this marker will win a prize. Our prize closet is a bit empty, but we'll come up with something worthy of an eagle eye golfer.

## Let's get to know new member Barb Busson

**Tell us a little about your golf history.** *I've never belonged to a league and I'm looking forward to playing with all of you. I've played casually, and sometimes for work, for about 20 years. I'm retiring soon and one of my goals is to play golf frequently. I have played a mix of 9 and 18 holes over the years.*

**How did you come to join the Como club?** *I knew about the Como club and contacted Sandy Terry who I know, and she recommended the Como club.*

**Are you still working, or retired and able to play more often?** *I will be retiring the end of July and looking forward to playing more than once a week.*

**If you want to, tell us about your family.** *My husband is Pat who is semi-retired. He's Minnesota born and bred and proud of it. We have 2 children, Molly (24) a social worker in Jackson, WY, and Andrew (20) a student at UW Eau Claire. I grew up and went to college in Iowa but have lived in Minnesota for about 35 years.*

**What was your go-to activity to get thru the COVID months?** *Playing golf and walking when I could. Reading - all the time, any time.*

**Would you rather hit out of the sand or over the water? Why?** *I'd rather hit out of sand because I'd still have my ball after a sand shot. Might not have a ball after a shot over water. I've sacrificed many balls to the water.*

**If you didn't need the money but wanted to work, what would you do?** *Hmmm - paid work? Can't face the idea of another paid job - retirement is too close. Volunteer work? Listen to children read and read to children.*

**What song have you completely memorized?** *Too many to list. Years of enjoying music and singing in choirs have resulted in very eclectic music choices. When I need to calm myself, I sing The Lord's Prayer and the alto line of the 12-fold Benediction but I hear all 12 lines!*

**What is your favorite vacation get-away?** *Jackson, WY and Ely, MN*

**Susan Kimberly** proudly showing off her allegiance to her favorite ball club, the St. Paul Saints.

LIFE IS SHORT  
MAKE EVERY  
OUTFIT COUNT

Guess what **Theresa Peterson's** favorite color is! If you guess blue, you are right on the money!

**Jane Cacich** rocking those rainbow nails courtesy of her sweet granddaughter Phoenix.

**Kathy Ziemann's** outfit, shoes, golf bag all matched. If you look closely, you'll see "Diva" embroidered on her bag. We think Rick did that.

**Wendy Lane** looked pretty smart in her matching visor and golf glove. Her shoes, shirt and pants all matched too. We didn't check her underwear, but we bet they were blue also.

Lauren Myslicki was wearing the cutest skirt and headband while cutting the fairways. Just because you are a greenskeeper doesn't mean you can't rock it in style.

**Sandy Terry** was all dolled up for her daughter's May garden wedding. Wow, Sandy cleans up real nice.

## Calcutta June 11, 2021

On the day of the May Calcutta, which was postponed, the temperature was 39 degrees. Friday, June 11<sup>th</sup>'s Calcutta was in the 80's. Although warm, the breeze and clouds made this a perfect day for golf. And our twenty-four Como golfers were perfect too, with all six teams scoring under par for the round!

Hats off to the Calcutta Organizing team: **Kathy Zieman, Ruthann Ryberg, Rae Cornelius, Susan Kimberly, Annie Nixon.**

Golfers were greeted at the door by **Kathy Zieman**, our lunch coordinator, and **Susan Kimberly**, our money collector. **Ruthann Ryberg** prepared homemade chocolate chip and butterscotch scones accompanied by muffins and fruit. Golfers were also treated with salted nut rolls, mints, and water to carry on their way. **Annie Nixon** was up and about helping everyone on the committee while Rae Cornelius was pleased there were no cancellations and praying the rain would stay away until after 2:00. Happily, the clouds went south!

**Cheryl Nordby, Konny Fitch, and Tillie Wolske**

**Cheryl Nordby, Susie Quinn, Caroline Bolen, and Colleen Halpine** in color coordinated outfits. Style points should have been awarded to this team!

2<sup>nd</sup> place winning team: **Susan Kimberly, Bertsie Rannenberg, Ruthann Ryberg, and Christy Davis.**

**Denise Beigbeder, Annie Nixon, Theresa Peterson, Angie Holbrook.**

**The Pink Ladies team: Sandy Terry, Sandy Denault, Lorelli Byrne, and Linda See.**

Sadly, this team did not make the entry deadline. They decided to waddle off and cheer the teams on from the fairways.

An 8:00 shotgun started all teams off. The format was two best balls plus games of longest putt on 6, closest to the hole on 16, plus a surprise. The winning team, earning \$20 each at 18 under par is **Konny Fitch, Wendy Lane, Suzie Tako, and Tillie Wolske.**

Following close behind in second place with 16 under par and taking home \$15 is the team of **Christy Davis, Susan Kimberly, Bertsie Rannenber, and Ruthann Ryberg.** Nipping at their heels is the 3<sup>rd</sup> place team at 14 under par and \$5 richer, **Rae Cornelius, Ann Lowry, Maureen McDonald, and Kathy Zieman.** **Wendy Lane** earned \$10 for closest to the pin on 16 while **Angie Holbrook** got a \$10 prize for longest putt on 6. **Suzie Tako**, \$12 richer, regaled in her surprise victory on the 18th.

**Enjoying lunch are the big winners: Tillie Wolske, Konny Fitch, Wendy Lane and Suzie Tako.**

**Christy Davis and her new wheels from Christmas.**

After play, there was time to relax and enjoy each other's company as great lunches from TST catering arrived and John, our Cozy bartender/cook served drinks and made some delicious margaritas. Awards were distributed. Congratulations to not only our winners but all who played and made this day truly a fun event! Thank you also goes to **Sandy Denault** and those taking pictures during the day.

Apologies to Rae's team of **Rae Cornelius, Ann Lowry, Maureen McDonald, and Kathy Zieman** for not getting a photo! Next time you'll get two!
