

TEE TIMES!

Another Eagle has Landed!

Our constantly smiling, infectiously happy, **Kathy Berven**, from a 132 yds out on hole number 18 decided to go for it for her 3rd shot. She not only went for it, but the ball rolled in the hole for an eagle! Most of us are lucky to get over the water and on the green in 4 or 5, hoping for a par, accepting a single, double, or even triple bogey on that hole. Not Kathy! This is Kathy's second eagle!

Important Dates to Remember

September 29 - Calcutta

October 11 - Fall banquet

"Success in this game depends less on strength of body than strength of mind and character."

~ Arnold Palmer

What are the odds of making an eagle? After much searching, we could not find the odds for an eagle on a par 5. So, the best info we can give you is the odds of an eagle on a par 4.

"The odds of making an eagle on a par 4 are infinitely higher than making a hole in 1. The proof of this is evidenced at every country club where "Hole in 1" boards are displayed. The membership seldom hears about eagles on par 4s."

In the last eight years there has been four eagles in our Como club (2015, 2017, 2021, 2022). Any guesses who the members were? We could take a dip into our prize closet for the first person to correctly list them.

Sometimes the only cure for sore, tired feet is to take your shoes off and let those poor tootsies breathe a sigh of relief.

Another contest? Guess whose feet these are, and you could win the socks. Does life get any better? We doubt it.

Calcutta A to Z, July 26

Tuesday, July 26, 2022, was the date of the midsummer Como Women's Golf Club A - Z Calcutta. Prizes went to the most accurate hitters/teams and then we went over to **Kathy Zieman's** patio for the pool and potluck after party!

Golfers were welcomed by the familiar smile of **Susan Kimberly** who collected Calcutta fees and distributed scorecards. Then over to the breakfast table prepared by **Christy Davis** where healthy treats offered energy for a full morning of golf. **Kathy Bergen** and **Susie Quinn** were busy working on the final details of the event.

Twenty-eight players participated in the 8:00 shotgun tournament. The weather was great, a few clouds, a bit of wind, and just a tiny bit of rain drops. The format was a 1-2-3: 1 best ball on the par 5's, 2 best balls on the par 4's and 3 best balls on the par 3's.

Rae Cornelius explained the rules for the Calcutta. Everyone (well, almost everyone...**Colleen Halpine** may have been taking notes?) paid rapt attention. 😊

After a wonderful morning of golf, players gathered at **Kathy Zieman's** for a potluck lunch. The table abounded with a selection of great appetizers, sides, and desserts. Kathy had prepared hot sandwiches, beer margaritas and lemonade for us all. It was a little too cold to swim, but plenty of warmth as the days shots and funny stories were exchanged among friends.

Whoever said that good kitchen help is hard to find never met this group. **Linda See, Jane Cacich and Ruthie Pallow.**

Thanks, Kathy, for once again opening your home to us.

Now for the results!

The most accurate fairway shooters with 43 team total were **Jane Cacich, Susan Kimberly, Sandy Terry, and Rebecca Wooden**. This 3rd place team added \$5 to their earnings for the day.

Closest to the rope on fairway #5, won by **Susie Quinn**

Kathy Berven, Rae Cornelius, Christy Davis, and Susan Kimberly were part of the Calcutta organizing committee.

Golf Genius gave us an overall Leaderboard. How exciting that the name at the top of the board, with the best net round of the day, was our effervescent nonagenarian **Theresa Peterson!** She shot a 118 which gave her a net 68! Way to go Theresa!

The drawing for hitting trees was won by **Ruth Pallow**.

Golfers did a great job of keeping up with the team in front of them with the help of Ranger, **Linda Nelson**. All teams completed their rounds under 4 1/2 hours. Of course, awesome long drives, astonishing fairway shots, amazing chips, and awe-inspiring putting might have helped too!

Our final Calcutta of the year will be Friday, September 30, the last day of our Como Women's Club 2022 season. Put it on your calendar!

1st place team with 121 total score and an extra \$20 in their pockets was **Rita Frenzel, Colleen Halpine, Pat Pederson, and Amy Winkel.**

2nd place with 124 score and \$15 richer was **Christy Davis, Wendy Lane, Annie Nixon, and Theresa Peterson.**

Nipping close at their heels with a 125 score, winning \$10, was **Jane Cacich, Susan Kimberly, Sandy Terry, and Rebecca Wooden.**

4th place finishers with a score of 128 was **Sandy Denault, Chris Langer, Maureen McDonald, and Linda See,** with an \$8 monetary reward.

The final team, just one point behind with a score of 129, and in fifth place, was **Carolyn Bolen, Rae Cornelius, Lori Westrum, and Tillie Wolske.**

In other words, only 8 points separated the first and 5th place teams. Quite amazing when you consider each team added 38 scores by their golfers.

Miscellaneous Odds and Ends

Keeping an eye peeled for where the ball went is **Theresa Peterson.**

Don't know where the 150-yardage marker is? No problem for **Kathy Zieman,** she carries her own!

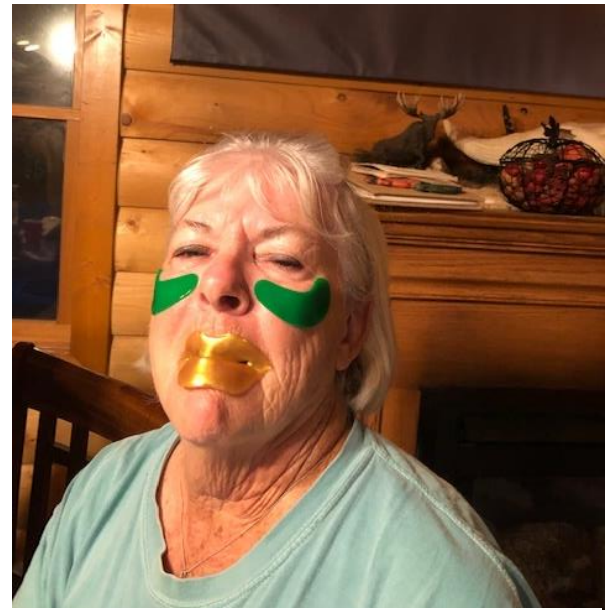

All aboard! This model train is set up in a yard in **Sandy Denault and Angie Guillaume's** neighborhood. Chugga chugga choo choo!

Kids were spotted sliding on the #11 hill. It was all fun until someone reported it and that was the end of that. 😞

Tip #7: Not everyone is going to love you. **Kathy Zieman** found this koozie on the course. **Sandy Terry** got quite a charge out of it.

Angie Ause played in the Legends event at the Meadows at Mystic Lake. Several CWGC members have taken lessons from Angie. A contingent of our golfers went to cheer her on including **Jane and John Cacich, Kathy Zieman, Wendy Lane, and Lori Westrum**. Angie finished in 31st place...even beating Nancy Lopez!

John Cacich, Angie Ause and Angie's biggest fan, **Jane Cacich**.

Lori Westrum was excited she got Nancy Lopez's autograph on her hat! What a collector's item that is!
