

TEE TIMES!

Your editors are saving all their words of wisdom for the final issue of the season in October.

Hello! I'm back watching you putt out on #16.

Important Dates to Remember

September 27 - Calcutta & Member Appreciation Day

October 8 - Fall Banquet

"The one thing about golf is that you don't know why you play bad or why you play good."

~ George Archer

Another critter trying to play through.

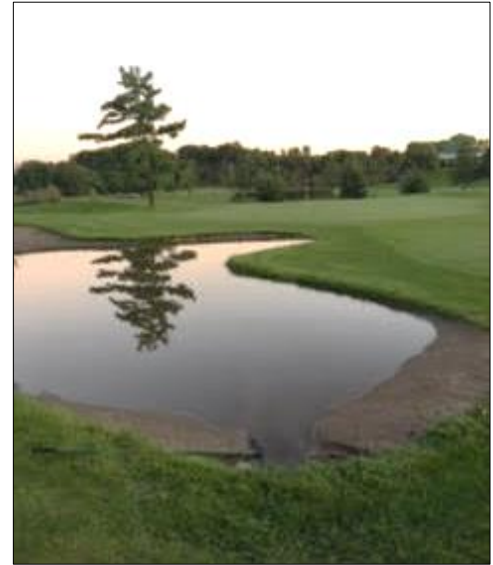

This pretty Eastern Tiger Swallowtail was spotted in **Wendy Lane's** garden. If you look closely, you'll see just a slight smile on her cute face. She was happy to have her photo taken.

Nature is sometimes cruel. Many of us have spotted this goose with a broken leg and one with a broken wing. The animal rescue people decided it was best to "let nature take its course". 😞 Still, it breaks our hearts.

Rain, Rain, Go Away

Annie Nixon, thinking she should have packed scuba gear in her golf bag. **Sandy Terry's** little rain boots wouldn't have cut it.

Wendy Lane before and after the deluge. We all raced for cover after 7 holes. Weather apps on our phones let us know when to head to the clubhouse. Don't you love technology?

Approaching storm photos by **Sandy Denault**.

Club Champion Weekend, August 24th and 25th

Thank you to **Jane Cacich** and **Cheryl Nordby** for organizing the event.

Congratulations to **Cheryl Nordby**, our new Club Champion! All the details will be in the End-of-Season booklet.

We all loved how animated **Jane** was when she was announcing the winners.

Championship Flight: **Pam Fitch, Rae Cornelius, Annie Nixon, Cheryl Nordby, Konny Fitch.**

2nd Flight: **Jan Anderson, Kathy Zieman, Kathy Berven, Theresa Peterson**

1st Flight: **Jane Cacich, Sandy Denault, Chris Langer, Wendy Lane**

A lovely "spread" of sweets brought by various members for an after-round treat.

We need one more page to highlight these Como Women's Club members for participating in the 2019 Club Championship. We had a rather small, but mighty, congratulatory group cheering us on and taking photos as we putted out on the 18th green...thank you **Ruthann Ryberg** and **Sandy Terry**! As a bonus, look how pretty the course is! If you happen to see any of the grounds crew out on the course, give them a wave and a thumbs up for a job well done.

We have heard rumblings that the board is being asked to consider making some changes to the competing days for next year. Don't fear change, it's very often a good thing. 😊

Pam Fitch, 2018 Club Champion congratulating 2019 Club Champion, Cheryl Nordby.

River Valley Invitational - Fun Day! Hi/C members **Wendy Lane, Doreen Eddy, Rae Cornelius, Jan Ywosa, Pam Fitch, Kathy Zieman** and **Colleen Halpine** at Tanner's Brook. We bonded with other Clubs after weathering rain and almost nine holes of golf. Consider joining next year adding more golf in your life, playing different courses and most importantly meeting other amazing women

After hunting for **Cheryl Nordby's** ball, **Ruthie Pallow** found it in this huge puddle on the fairway. Ruthie tried to convince Cheryl she should "play it as it lies". Cheryl was not convinced. It seems we have no shortage of "water on the course" photos this year. If this keeps up, we all will want a pair of fine boots like **Sandy Terry** owns.

What? No blue ribbon! **Kathy Zieman** was robbed. Those are the best bars bar none. Love the play on words? Tee hee.

Where in the world have our fellow golfers traveled this summer? It's quite the list: Viet Nam, Cambodia, Scandinavia, Africa, Israel, Scotland, cruising around Europe. Others of us have gone to Cub and Rosedale. A trip is a trip no matter how far from home you wander. It's who you meet along the way and coming home safely that really counts.

CY, our great Cozy Pub waitress, wearing her African continent earrings in honor of **Ruthie Pallow** and **Amy Winkel's** recent trip to Africa.

Kathy Zieman is modeling one of the treasures, along with her love of golf, she inherited from her mom. It might just be a good luck charm too. How fun to be the proud owner of this cute hat.
